

GOLDEN Workshops (available online) for German teachers

April 2006

Do you need CEUs or professional development credits toward your recertification?
Take advantage of this opportunity to earn them from your home computer!

The Goethe-Institut Washington, the University of Nebraska/Lincoln, and the AATG have developed an online continuing education opportunity for teachers of German based on the GOLDEN project.

The workshops planned for 2006 are:

5/1 - 5/29, 2006 Reading II
6/1 - 6/29, 2006 Writing III
7/3 - 7/31, 2006 IP I
8/1 - 8/29, 2006 Speaking II
9/1 - 9/29, 2006 IP II
10/2-10/31, 2006 Writing IV

Each workshop will be directed by an experienced and trained GOLDEN facilitator. Further, each workshop is independent of the other(s). Thus, one could take the "Reading II" workshop without having first taken "Reading I".

At the successful completion of each workshop, each participant will receive a certificate indicating the earning of 1.0 Professional Development Credit (with 10 contact hours) from the University of Nebraska-Lincoln.

The cost for each workshop is \$125 if paid by check or \$130 if paid by credit card. To register, you may obtain the registration form in Word or PDF format at these locations:

<http://www.aatg.org/programs/profdev/GOLDENRegistration.doc> (Word format), or

<http://www.aatg.org/programs/profdev/GOLDENRegistration.pdf> (Pdf format).

The registration deadline for each workshop is one week prior to the start date. Please return to AATG by mail with payment. If there are not at least three people signed up for a workshop, AATG and UNL reserve the right to cancel the workshop and fully refund the participant's registration fee.

We hope you take advantage of this opportunity to join your German colleagues on line to share best practices and classroom ideas.
